| **Ascent** | 330 m | **Difference in altitude** | 160 m |
| **6490 Andermatt (UR)** | | | |

## Trail details

| | |
|---|---|
| **Description** | This snowshoe trail begins at the Stöckli Bar on the Gütsch and offers fantastic views of the mountains. Look across to the peaks of the Pazolastock, Rossbodenstock and the Badus, the Gemsstock and the Gurschenalp, all the way along the Ursern Valley to the Furka massif.<br>You reach the Gütsch using the two Andermatt-Nätschen and Nätschen-Gütsch<br>chairlifts. The MGBahn train also runs to Nätschen. For a perfect winter experience, you are asked to remain on the marked snowshoe trails and not stray on<br>to the prepared ski slopes. |
