Trail details

Description

Gerschnialp – Untertrübsee (1262 m – 1240 m)

From the Gerschnialp top station walk through the forest, parallel to the road, as far as the Ritz restaurant. This is the beginning of the snowshoe circular trail, which first takes you through the woods, then from Schlegi over open terrain along the Bitzistock and back to the Ritz restaurant. At Schlegi you can make a bigger loop, if you wish, by walking across the large meadow towards Untertrübsee.

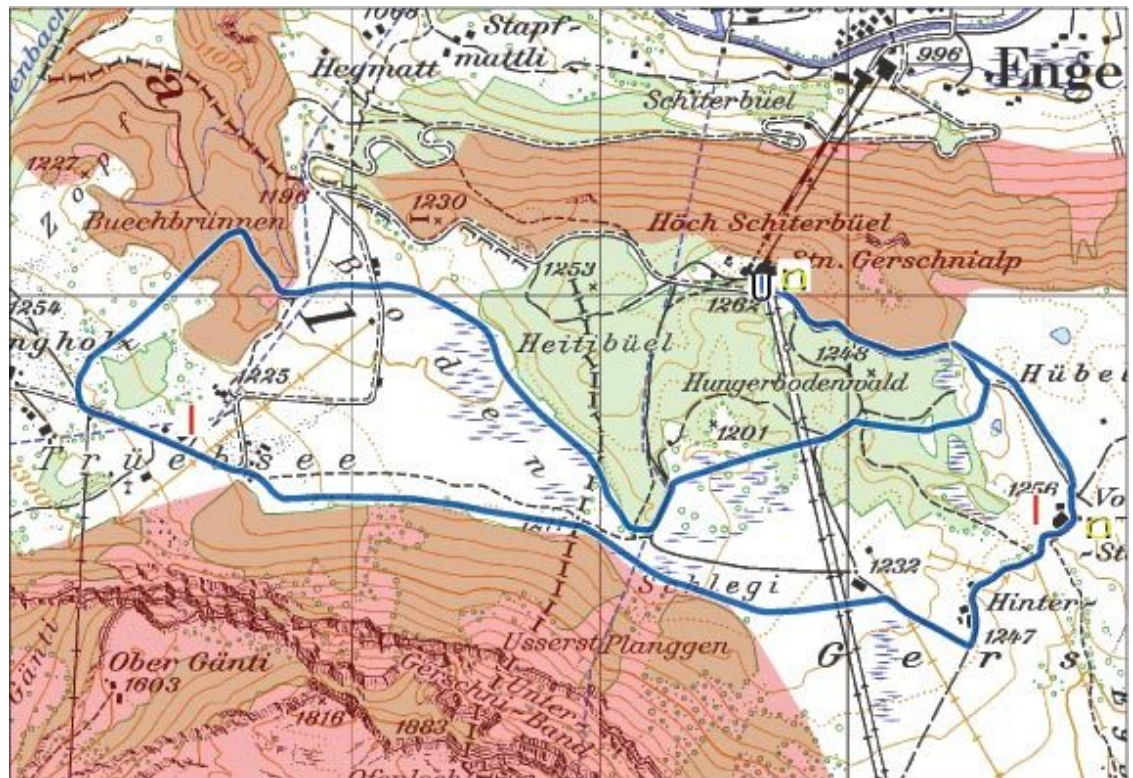

How to get there by public transport Luzern to Engelberg. Regular connections every hour. Take the gondolas from Titlis Bottom Station in Engelberg to Gerschnialp where the trail starts.
