Trail details

Description 1st starting board: Sport and leisure facilities, at the snowsports school collection point
2nd starting board: Richinen middle station

The starting point for this walk is the snowsports school collection point. The trail starts with an easy ascent, leading through a magnificent larch forest and pristine nature. There is plenty of parking at the starting point. During your ascent you will cross a bridge, enjoy the views from unique vantage points and experience the fascinating natural environment in peace and tranquility. Once you have reached the forest line, the trail leads to the edge of the Bellwald skiing area and on towards the Restaurant Fleschen. The path descends on the opposite side of the skiing area. Shortly after beginning the descent, you will reach woodland. Accompanied by stunning views of the valley, the return to the starting point is easy. Descending to the village is possible at any time.

Highlight Beautiful view of the Valaisian and Bernese Alps
