lowest point	1510 m. ü. M.	highest point	1655 m. ü. M.
Ascent	260 m	Difference in altitude	145 m
6493 Hospental (UR)			

Trail details

Description

The snowshoe trail begins by the Restaurant Central in Hospental. It is laid out as a circular route with a 195m height difference to climb. The Gotthard scenery has its very own attraction in winter. Whereas in summer the Pass traffic rolls north and south, during winter there is not a single car to be seen. Do listen carefully: a mystical silence fills the snow covered mountain world.
