Trail details

Description	This short but variable snowshoe trail leads towards the Goldfinger bend from the James Bond film Goldfinger (1964). The trail starts and ends on the Furka Pass road in Realp. It runs as a circuit to the Geren Bridge then on the opposite side of the Furkareuss River back to its starting point. Shortly after the first ascent in Biel you can see the bend in the road where Goldfinger, alias Gert Fröbe, made a short stop to purchase fruit.
